Message from Your Mayor and Council

NEEBING VISION STATEMENT: Neebing strives to be a vibrant rural municipality that enriches the quality of life for its citizens, nurtures its economy, and continues to build on community pride, making it a healthy place to live, work, and play.

The Citizen Satisfaction Survey was conducted earlier this year, and we'd like to thank all those who participated. The survey results and Council's Action Plan can be found on the Neebing website www.neebing.org/survey.

Regular Council Meetings take place on the first and third Wednesday of each month. Meetings can be attended in person, via computer, or by phone. At the beginning of regular Council Meetings is the Town Hall session where the public is welcome to informally address Council. You can also request a deputation if you wish to speak with Council more formally regarding an issue. Contact the office the week before a scheduled Council meeting to arrange a deputation.

Tax Installment Due Dates are August 30 and October 25, 2024

If you have any questions about the information on your tax notice, contact the Municipal Office. If you would like to set up a monthly payment plan for your taxes, call the office and ask to speak with Laura.

Blake Hall turns 100!

Plan to attend the 100th Anniversary Celebration of Blake Hall on September 13th and 14th. This two-day event kicks off on Friday evening when the band HEADRUSH hits the main stage. On Saturday there will be entertainment, games, contests, bouncy castles, vendors, and fun for all ages. NFRA will be holding a fundraising BBQ on both days and there will be free corn on the cob and cake on Saturday. Volunteers are still needed, so if you want to lend a hand, give the office a call and we will put you in touch with the organizers. Visit www.neebing.org/blake100 for the full schedule of events.

Neebing and LRCA Fishing Derby

Landfill Punch Cards

Enclosed with this tax bill is your Landfill Punch Card or cards. **BEGINNING AUGUST 1st, 2024**, the orange bag tags will no longer be accepted. You must present your punch card to the landfill attendant before dumping bags of household waste. Each number on the punch card entitles the holder to 1 bag of household garbage. As always, additional tipping fees will apply to demolition waste, bulky, or loose items, etc. Recycling areas are available at both landfill sites at no charge. Separate your garbage. **Reduce, Reuse, Recycle.**
